## *Why Camping?*

**FREECAMPING** is an initiative  
to promote Outdoor Learning and Camping  
amongst the young age students of schools

With the initiative of **FREECAMPING**, our aim is to encourage young minds  
towards nature centric learning and adventure camping.

Modern youth is highly influenced by technology and social media,  
And it has impacted badly on their all-round development.

We visualise active and innovative participation of young boys and girls,  
Where they would be learning valuable life lessons from this wilderness camping.

Odyssey - the NGO owns well set campsites at  
Polo Forest and Saputara

We welcome all interested to come and camp, learn and explore.

In the lap of mother nature, and beneath the shining stars,  
what the experience teaches is much much better than a classroom!
